For Fall 2022, students can take ESL 60, 63, 66, 73, 74, 76, 83, 86 classes for either credit (ESL) or noncredit (ESLN). **ESL 53, 56, 58A, 58B can be taken as noncredit only.**

All **NEW** intermediate and advanced ESL students:

1. To take ESL classes for **credit**, students must apply for **credit** classes by completing the **Credit** online application - CCCApply at marin.edu/apply
2. To take intermediate and advanced ESL classes for **noncredit**, students must first complete the **Noncredit** CCCApply online application.

Current noncredit Level 40 students who score 80% or higher in the ESLN 40 promotion test are eligible to take level 50 classes, and they do not need to take the ESL Placement Test. If they score 90% or higher, they should take the ESL Placement Test if they want to take a higher level.

Taking classes for credit:

Many students take the ESL classes for noncredit which are free. However, some students may want to explore taking ESL Classes for Credit. The credit option costs money, and there are other things to consider as well. **Please see a counselor** to discuss which option is right for you.

Student Educational Plans

Another reason to see a counselor is to develop an educational plan to help you achieve your goals. Make an appointment to speak with a counselor to work on a student educational plan.

Waitlists

- Noncredit students, level 60-80, will be put on a waitlist and will need to attend the first day of class.
- If there is space, and you registered before the first day of class, the teacher will accept you into the class.
- If you are still on a waiting list on the first day of class, you must attend the first class and get an add code from the teacher to complete your enrollment.

Not open entry/open exit

- Levels 50, 60, 70 and 80 ESL credit or noncredit classes are **not** open entry/open exit.
- *This means that students must begin at the start of the semester and complete the entire semester.*

Grading

- Noncredit students will receive an unofficial grade of *Pass or No Pass*.
- Students enrolled for noncredit classes can be dropped from their classes in the same manner that students taking the classes for credit are dropped.
- All the students, both credit and noncredit, are expected to attend classes, complete all assignments, and take tests.
